

Test Maturity Model integrated (TMMi)

Martin Adcock

Listen | Challenge | Understand | Interpret | Create

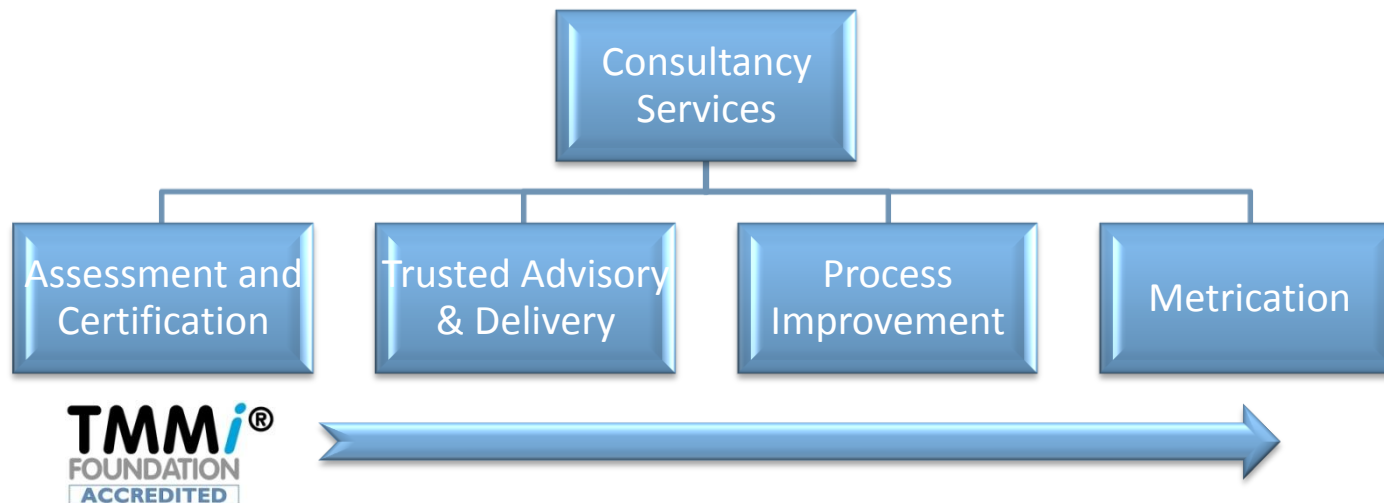

Experimentus Background

- Formed in September 2004
- Recognised the inconsistencies in other consultancies
- Wanted to be seen as a Thought Leader
- Wanted to help change the Industry and improve our clients capability
- Didn't want to re-invent the wheel
- Supported and worked with the TMMi Foundation for the last 5 years

Experimentus is

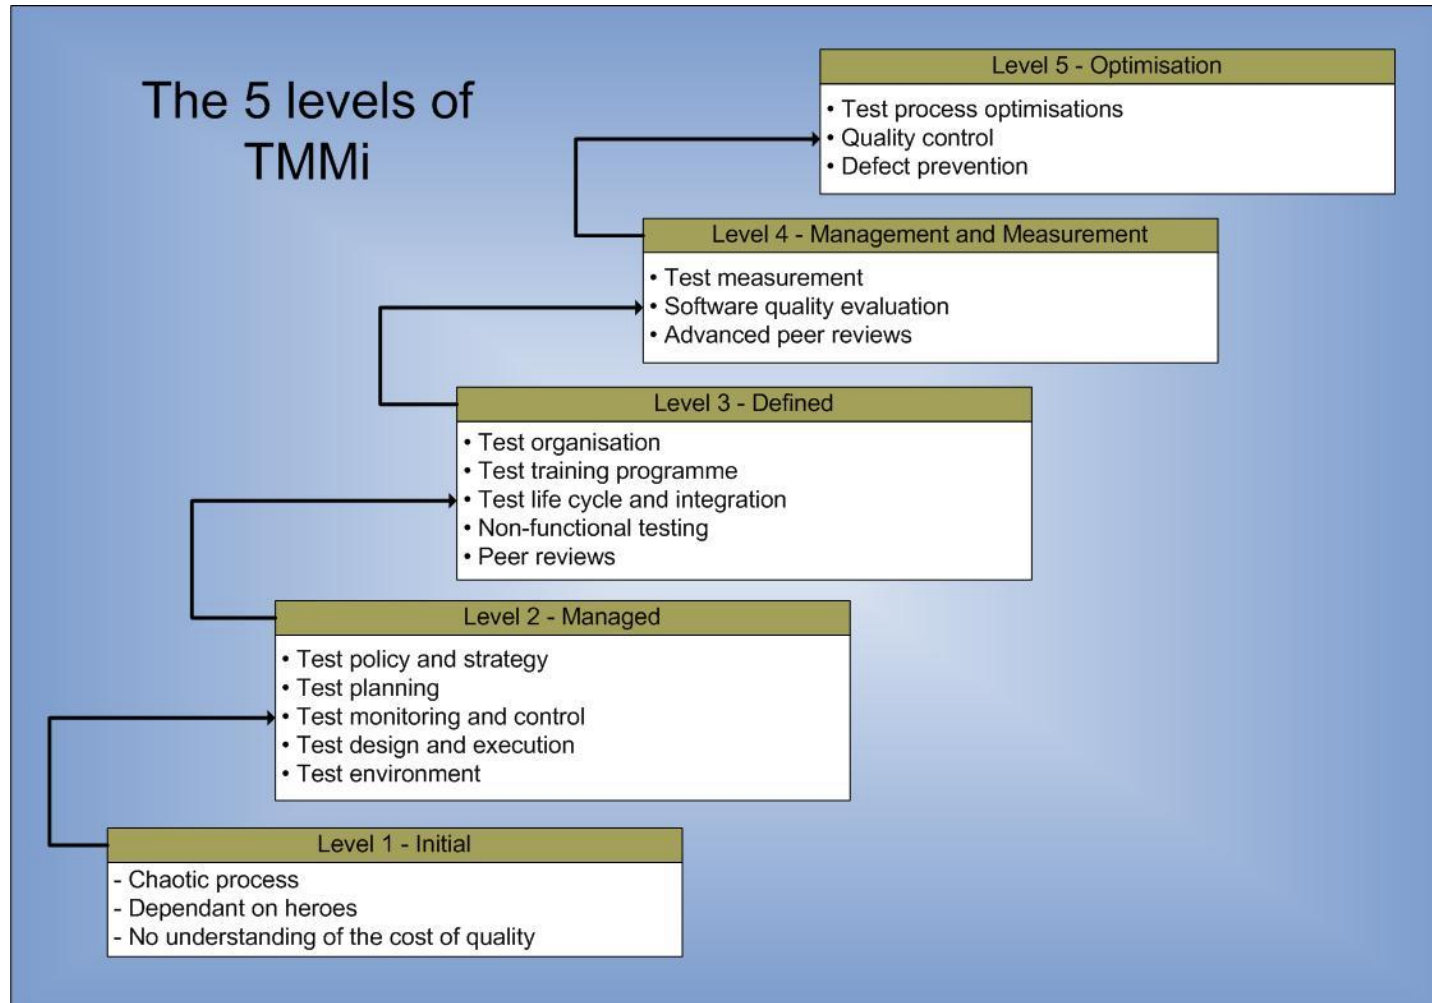

- An IT services company that provides organisations with software quality management expertise
- Four key solutions aimed at optimising our clients approach to Software Quality Management

TMMi - Business issues/drivers

- Process Improvement – the same old problems not being resolved
- Industry standard
 - Marketing advantage
 - SI's and 3rd Party suppliers
 - Evaluating suppliers
- Management Information
- Help identify issues elsewhere in the SDLC
- Certification
 - of testers is not all that's needed - processes need to be included
- Assessment
 - Prioritised Roadmap of improvements

Where do you think your organisation is?

First issue is to identify where you are

TMMi Level 2 - Key Process Areas Maturity Achievement

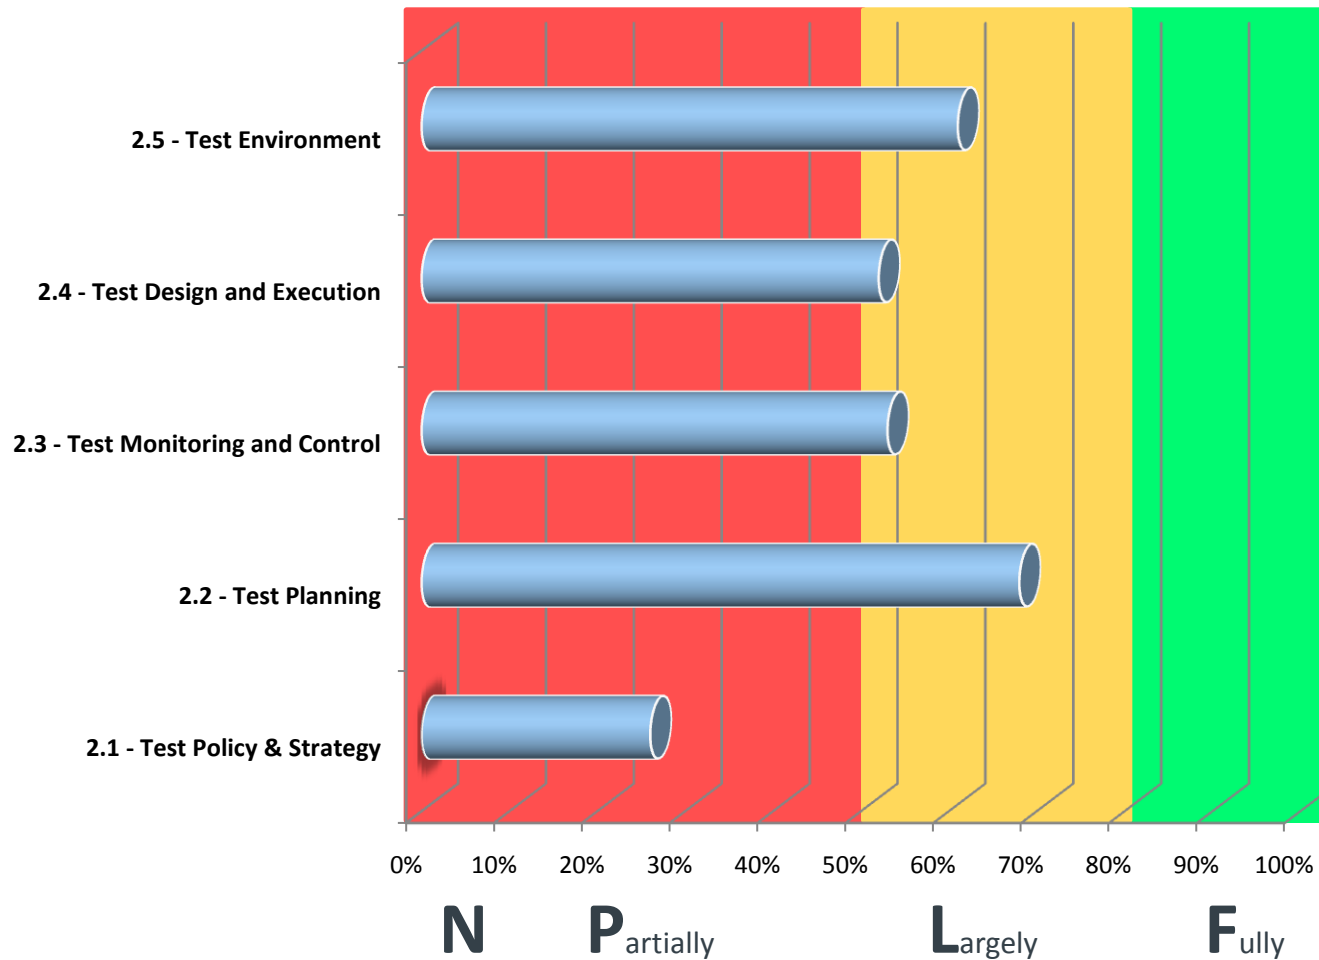

Expectation

vs

Reality!

Identify/agree roadmap of improvements

TMMi Level 2 - Key Process Areas Maturity Achievement

This is where you could be in 'x' months time

TMMi Level 2 - Key Process Areas Maturity Achievement

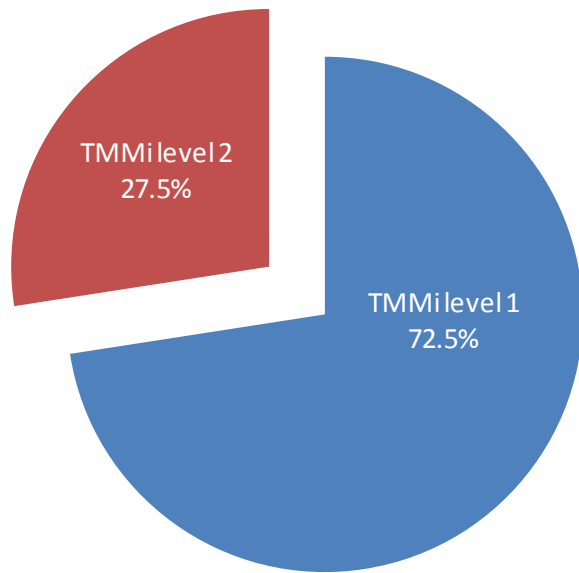

Identified Resources
and Process
Clear benefits
and ROI

Industry survey conducted

- Experimentus obtains accreditation for its Assessment Method
- The need to understand the industry
- Survey data collected during last quarter 2008
- Over 100 respondents
- Many industry sectors represented
- Respondents based in 4 different continents

Overall results

Summary

- Over the last 5 years we have worked with a variety of companies and developed TMMi based solutions appropriate to them
- TMMi helps establish not only the test process is efficient but also that other areas in the life cycle are appropriate
- For an indicative indication on YOUR level of Test Maturity please visit our web site and complete the TMMi Survey which only takes a few minutes and you will receive the published Industry Survey report

Thank You!
